

# 'An Angel Abroad....'

Award winning Jestaminute Community Theatre brings you a roller coaster of emotions in their gripping new play. Join us on a poignant, sometimes funny journey into the lives of three sets of characters connected by the theme of power and control.

Based on the accounts of people who have experienced domestic abuse, these fictional stories take us on a theatrical exploration into the heart of close relationships. A world where sometimes words alone are not enough to express feelings and emotions. A world where we discover that some people are indeed 'an angel abroad and a devil at home'.
